

TECHNICAL DATA SHEET: **312**

Validity date: **01 November 2015**

➤ Product Description:	BOPET adhesive tape	
	Hot melt adhesive	
➤ Technical Data:	Backing thickness:	15 µm
	Total thickness:	31 µm
	Adhesion to steel:	4 N/cm
	Tensile strength:	35 N/cm
	Elongation at break:	120 %
➤ Application:	Recommended for medium - duty boxes with automatic carton sealing machines	
	The PET backing allows a perfect conformability	
	Roll length significantly greater than polypropylene tape of the same size	
	Lower environmental impact compared to a conventional adhesive tape due to the lower quantity of raw materials used	
➤ Warning:	Protect from humidity – Use and store at temperature above 18°C.	
➤ Above mentioned technical data are valid also for the following versions:	P = pre-printed	

Above mentioned figures represent the average values of our regular production; as such, they are not binding. Customer must verify through practical tests that product is fit for the use he intends it for and is responsible for any risk and damage caused by the use of the product. Above mentioned figures have a range of variation +/- 5% and may be changed at any moment for production needs or technical updates.
