TAPE SOLUTIONS

## BACK PRINTED ADHESIVE TAPE FOR MEDIUM WEIGHT PACKAGING

## PRODUCT DESCRIPTION

Packaging tape with solvent-free water-based acrylic adhesive, printed on the back. Suitable for medium weight box sealing with manual dispensers. Possibility of customization up to three colors.

## FEATURES

## Technical Informations, storage and product use

The product must be used within 12 months from the delivery date ( 6 months if jumbo). It is advisable to keep the material in its original packaging, away from heat sources and away from direct light. The storage temperature must be between $15^{\circ}$ and $30^{\circ} \mathrm{C}$ and the relative humidity between 40 and $60 \%$. For storage temperatures other than those indicated, recondition the product to the levels described above. The technical data shown in the data sheets are the average of the analyzes obtained on normal production. Aging can determine the variation of some technical and aesthetic characteristics of the product within the time limits indicated above without affecting its quality and functionality. The technical data shown are reported with a tolerance of $+/-10 \%$ and may be modified at any time for production needs or technical updates.
Fabo spa declines all responsibility for direct damage and for the consequences deriving from improper use of the product. It is advisable to check the conformity of the product in relation to the specific conditions of use.
